

## Student and Parent/Guardian Agreement

Marylawn of the Oranges Administration, Faculty and Staff expect that students will conduct themselves at all times in a manner which brings credit to themselves, their families and their school. A spirit of Christ-like charity, respect for authority, and mutual cooperation are essential elements of the learning environment at Marylawn of the Oranges. Students are expected to act with courtesy and respect toward one another and toward all members of the staff. They must take seriously their obligation to develop lifetime habits of self-control and concern for the well being of others.

Parents/Guardians are the first and most important teachers for their children. Discipline is learned in the home at an early age. Therefore, home and school will work together to help students to learn and live the qualities of responsible behavior and the elements of good citizenship.

As a parent/guardian I believe that discipline is an important aspect of my child's education. I understand and accept as does my child, that Marylawn's discipline policy aims to develop self-control, character orderliness and personal responsibility. Any violation of school policy detailed in this handbook or other actions that disrupt the educational process is unacceptable. We understand that Marylawn's administration reserves the right to expel any student who is a contradiction to our stated mission statement.

I have read the Marylawn of the Oranges Student handbook. I understand that in signing this agreement, I agree to support the philosophy as well as the rules and regulations of Marylawn of the Oranges Academy.
